Undergraduate Research Program	
<b>Project Name</b>	SCHOOLS OF THE BIOSPHERE. Learning and reconnection with nature spaces in emerging natural environments
<b>Campus &amp; Location in Mexico</b>	Querétaro
<b>Faculty</b>	Architecture and Design
<b>Research Area</b>	Sustainable Territorial Development
<b>Research Responsible</b>	Carlos Cobreros
<b>Description of the Project</b>	<p>MAIN OBJECTIVE OF THE PROJECT</p> <p>Define the criteria, principles, elements and architectural strategies to spatially host an eco-literacy based and based on contact and experience with nature in emerging natural contexts, such as Biosphere Reserves, to guide, sensitize and raise awareness through an experience transformative, the design of regenerative cultures.</p>
<b>Training Provided</b>	Elaboration of theoretical framework;Preparation of specialized papers;References and bibliographic analysis
<b>Modality</b>	Hybrid
<b>Offered During</b>	Semester

Student	
<b>Tasks/Responsibilities</b>	<p>Establish a theoretical framework and background.</p> <ul style="list-style-type: none"> <li>- Identify the foundations for an architectural design that spatially reflects the principles of eco-literacy and that encourages collaborative interaction with nature for the well-being and conservation of the surrounding ecosystem processes.</li> <li>- Recognize how architecture and it can be fostered by environments that encourage the practice of an adequate environmental learning process in contact and with nature.</li> <li>- Establish criteria, parameters, principles and elements of regenerative architectural design based on the principles of eco-literacy, recognizing that nature can become a wonderful classroom for learning through experience.</li> </ul>
<b>Required Language Proficiency</b>	Spanish (Advanced);English (Advanced);German (Advanced)

<b>Required Skills and Abilities</b>	Research Skills
<b>Other Documents Required to APPLY for an Internship</b>	<ol style="list-style-type: none"> <li>1) Being at least in your 2nd year of bachelor</li> <li>2) Accumulative grade point average (GPA) 2.5</li> <li>3) Official Transcript</li> <li>4) 2 letters of recommendation of faculty members</li> <li>5) Resume</li> <li>6) Letter of intention explaining the reason why you would like to participate in the research program</li> </ol>
